Douglas Ave. Buses Return to Normal Routes
Other temporary route changes remain in effect

Douglas Avenue

Buses traveling along Douglas Avenue have returned to their normal routes.

UNB Buses

Changes to the routes for UNB buses, #15 and #16 remain in effect. These buses will only use the front door entrance of the hospital. This will continue until further notice.

Hampton and K.V. Buses

Buses traveling east (out of the city) to Hampton and K.V. will travel their regular route until they approach Haymarket Square. At this point, the buses will then travel Rothesay Avenue from the end of Crown Street to the end of Rothesay Avenue, onto the highway and back to their regular route. There will be no additional stops along the way.
